Subject:- Drugs Rules, 1945 - Question of bringing preparations containing substances mentioned in Schedule H within the ambit of rule 65(9).

Sir,

I am directed to say that in the Conference of Drug Importers' Associations held on the 10th March, 1947, a question was raised whether preparations containing Schedule H drugs along with other substances in the form of tablets, ointments etc. would be covered by the provisions relating to the Schedule H. It is considered that as all the substances in Schedule H are highly toxic drugs, preparations containing even small proportion of substances in Schedule H should not be exempted from the provisions relating to the Schedule. The Government of India consider that rule 65(9) should be amened suitably to place the matter beyond doubt. A copy of a draft notification containing a draft amendment to sub-rule 9 of rule 65 of the Central Drugs Rules for this purpose is attached. I am to enquire whether the Provincial Government agree to the Durgs Technical Advisory Board being consulted for the purpose of making an amendment on these lines in the Provincial Drugs Rules. If the Provincial Government agree, the Central Government will consult the Drugs Technical Advisory Board on behalf of itself and the Provincial Government and communicate to the Provincial Government the views of the Drugs Technical Advisory Board. Further action for the amendment of the Central and Provincial Rules can be taken after the views of the Drugs Technical Advisory Board are obtained. The favour of an early reply is requested.

I have the honour to be,
Sir,

Your most obedient servant,

Sd.Harbans Singh,
Assistant Secretary.
